Assembly Instructions

--- Outward fold

--- Inward fold

✗ Cut away parts

Basic steps

Use a pen whose ink has dried out, or a tracer, to trace lines first.

Separate all parts along the lines. Mark their identity on the back to avoid confusion.

Egg

Fold and glue E09 and E10 respectively.

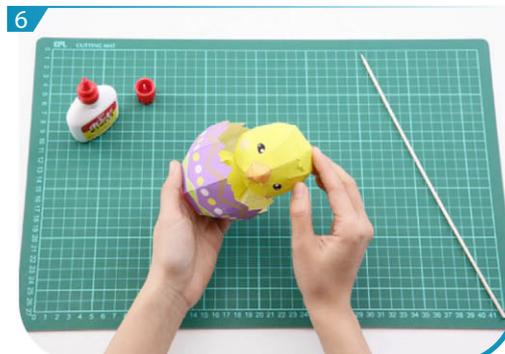

Body

Fold and glue C01, C02, C03, C04, C05 and C06 respectively.

Fold and glue C01 to C08 according to the assembly instruction, and now chick is done.

Finally, glue the chick with the lower part of the egg.
