

G02

G03

G04

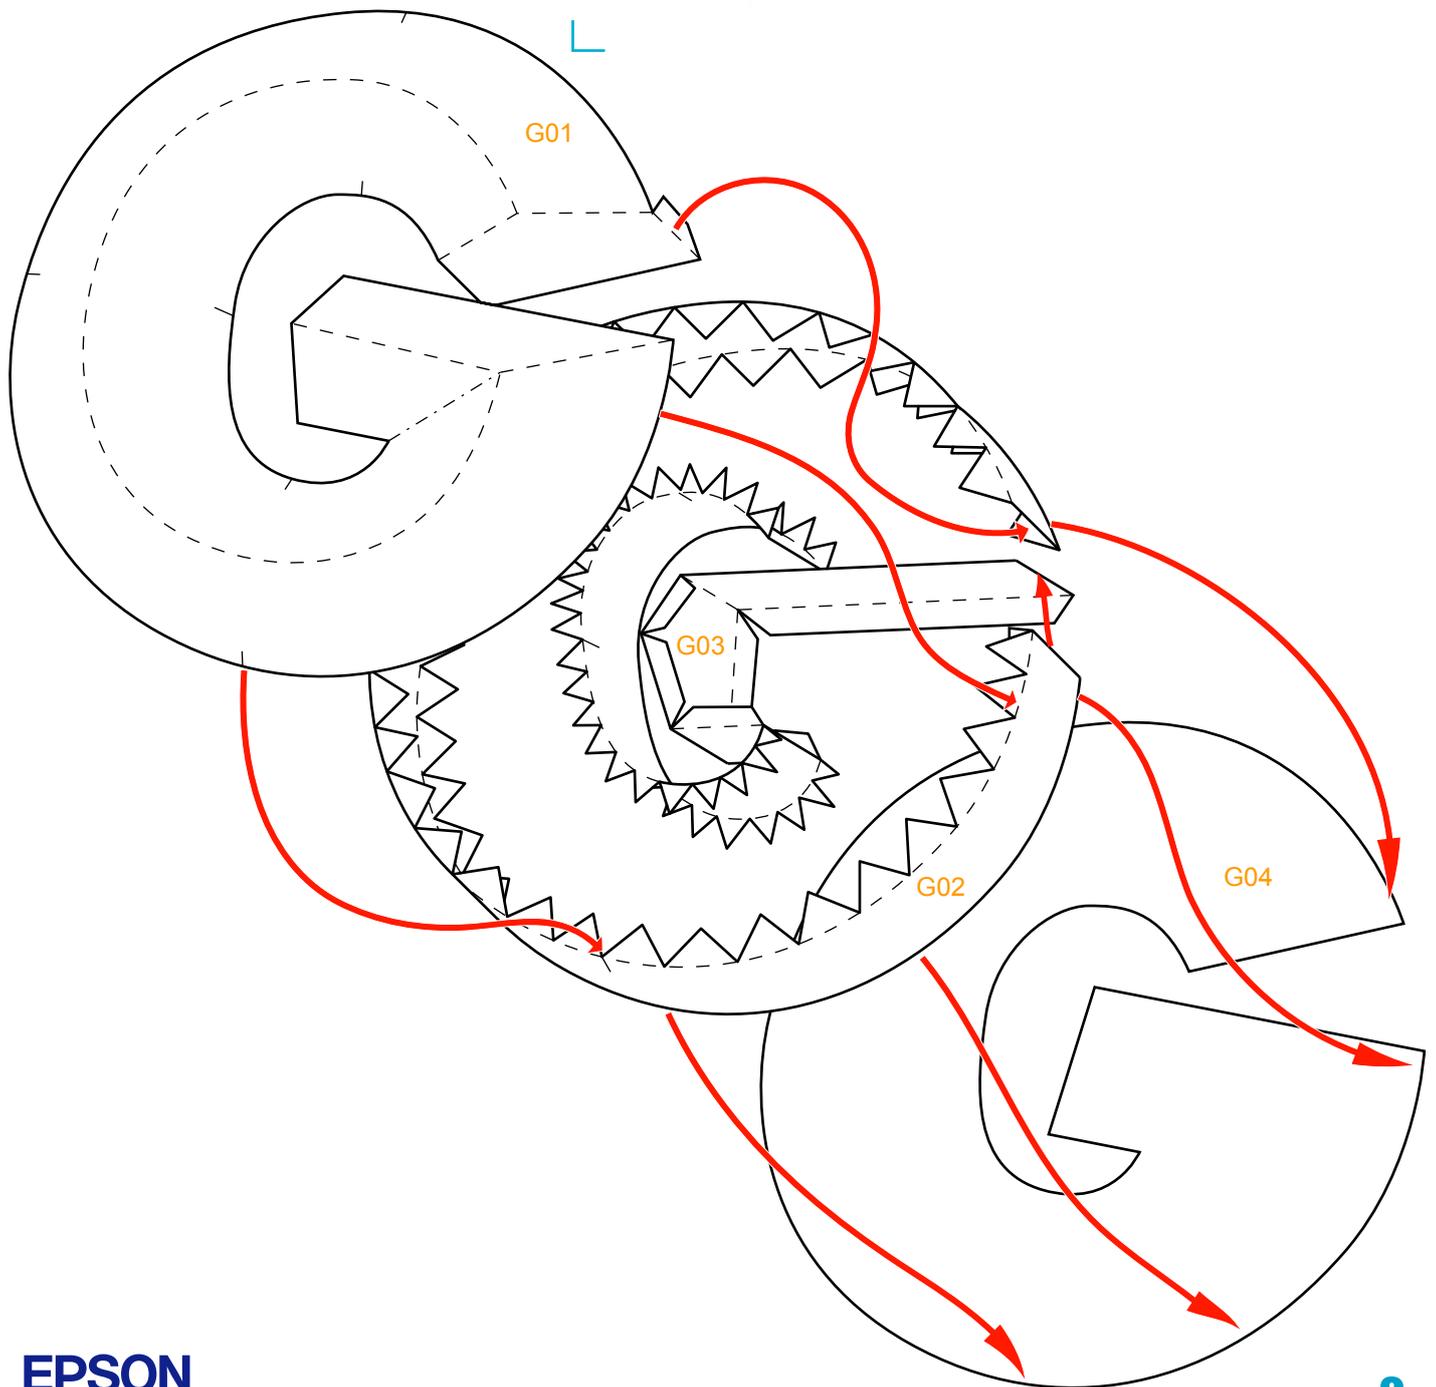

Assembly Instructions

--- Outward fold

--- Inward fold

✗ Cut away parts

Instructions

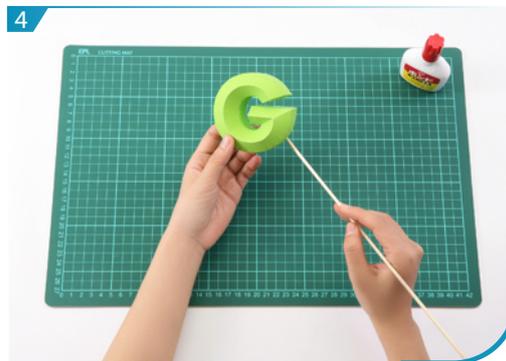

1 Use a pen whose ink has dried out, or a tracer, to trace lines first.

2 Separate all parts along the lines. Mark their identity on the back to avoid confusion.

3 Fold and glue G01.

4 Glue G01 to G04 according to the assembly instruction, Letter "G" is now done.
